## World Stage Meeting

[more details »](#)

**Changed:** Time change - Since not all could make a meeting next week, we are checking availability for this Thursday (6.16.16) to review and plan for the San Pedro Warner Grand World Stage project, which will include a performing arts program to be added as part of the San Pedro Artwalk on the first and third Thursdays of each month. We received a \$50,050 grant from the California Arts Council for this project. We will review the status of the stage construction, the members and roles of advisory committee assembled to help recommend talent, review and revise the timeline, discuss the curatorial procedures for selection of artists, staffing for the events, and the respective project roles for the BID and DCA.
